

D & V Electronics is a Manufacturer and Supplier of state-of-the-art test solutions for the Automotive, Aerospace and Electric Vehicle Markets. Our Woodbridge, Ontario facility is currently looking for a small equipment assembler to be responsible for assembly of small equipment/modules. If your qualification and experience meet our need, we invite you to apply for the following position:

Title: Small Equipment Assembler (Contract)

Role:

- Assembly of small equipment and assemblies
- Adjust, repair, and troubleshoot electrical & mechanical equipment.
- Read and interpret electrical & mechanical drawings, diagrams, specifications, work orders, or reports.
- Inspect wiring installations, assemblies, and circuits using appropriate tools like torque drivers, etc.
- Disassemble and prepare machines for shipment.
- Basic inputs & outputs checks to ensure conformance to specifications.
- Drilling, tapping and installation of the electrical, mechanical, and small components such as Disconnects/Breakers, Contactors, Inverters, Motors, Motor drives, and Power supplies.

Education and Experience:

- 3 years assembly experience, diploma in electrical or mechanical technology is an asset.
- Proficient in reading and interpreting drawings.
- Proficient in using productivity tools such as wire/cable strippers, ferrule/terminal/lug crimpers, connector-pin crimpers as well as corded/cordless drill.
- Carry out high quality work and maintain good records.
- Ability to meet deadlines under conditions of multiple demands and conflicting priorities.
- Strong challenging spirit, Team player, quick learner, self-motivated, able to work under minimal supervision, and enjoy learning new things.
- Excellent interpersonal and organizational skills.
- High degree of flexibility and be willing to work after hours and weekends.

D & V Electronics values their employees. We encourage life-long learning and foster employee personal growth. If you're someone who enjoys working in a creative and innovative work environment, and would like to join our team, please submit your resume and covering letter to: careers@dvelectronics.com

We thank all applicants for their interest in our organization, however; only those selected for an interview will be contacted.
